

2008 Fall Photo Contest Results

The results are in and they're fantastic. Judges Mike Grandmaison, Dennis Fast and Dave Reede had their work cut out for them. Thank you to all who entered. There were some great images and the decisions were not easy. Congratulations to our winners. The contest was so popular that we are accepting entries now for our 2009 Spring Photo Contest. See page 7 or go to our website for more details.
