## The most compact professional tripod on the market thanks to its revolutionary 180° leg folding system... now in series 2! GK2580TQR Series 2 Traveler Kit

Recommended for a DSLR with up to 300mm maximum lens, the new Series 2 Traveler offers excellent maximum load capacity and great torsion rigidity thanks to G-Locks and the newly designed upper casting. Extremely lightweight and compact, this kit is the ultimate solution for photographers looking for a regular size tripod that combines lightweight, compactness and transportability without compromising on stability and image sharpness. It is available the popular four section standard level configuration and includes the new Traveler Series 2 head.
