

FOR IMMEDIATE RELEASE  
August 11, 2008

## New! 521EX Sony PMW EX1 remote control

The 521EX features a range of professional features: zoom, zoom reverse control, zoom speed control plus an innovative **fast zoom function**, which can be used without modifying the zoom speed control.

### CLAMP RANGE

Round tube/pipe/bar: 12mm to 35mm diameter  
Rectangular tube of flat surfaces: 5mm – 30mm height

## ...and the 585 LNC Modosteady Remote Control for Sony/Canon camcorders

As the aim of the Modosteady is to perfectly balance prosumer video cameras and eliminate the typical hand-held shooting vibrations and blurred images, a new accessory is now available to improve performance and comfort while shooting: the new **Modosteady Remote Control for Sony/Canon cameras** with LANC plug.

The Modosteady Remote easily mounts on the top of the Modosteady handle, and enables control of the usual video camera functions, including a zoom speed setting.

The Modosteady Remote is extremely **compact and user friendly**, and fits perfectly even when the Modosteady is closed.

Manfrotto products are distributed in Canada by Amplis Foto Inc.
