Tamrac Adds Exciting New Accessories to the Carrying Solutions Line!

M.A.S. Products

Professional Lens Cases

Introducing three new professional lens cases, Pro 50, Pro 100 and Pro 200, models MX5341, MX5343 and MX5347 to accommodate the most common professional wide angle, standard, and longer telephoto zoom lenses.

M.A.S. Flash Accessory Pockets

Two new M.A.S. flash accessory pockets, models MX5383 and MX5385. The medium accessory pocket, MX5383, was specifically designed for the smaller professional flashes on the market such as Canon's 430EX and also Nikon's SB800 as well as most older Nikon flashes. The large flash accessory pocket, model MX5385 was specifically designed for Canon's professional flash, the 580 EX II. The large flash accessory pocket will also allow both of the Canon and Nikon pro flashes to be carried with most common diffusers in place. Both flash accessory pockets now have a front pocket for batteries or a tabletop stand.

M.A.S. Belt - New, Small Size

New M.A.S. Belt - Small, Model MBX5395. This belt will hold all the M.A.S. products like the Medium and the Large belts, and will fit a whole new demographic of photographers wanting to be able to customize their carrying system with lenses, flashes and accessories.

Tamrac also provides memory wallets, accessory pockets, filter pockets and wallets, water bottle carriers, and more! See the full lineup at www.amplis.com.
