

FOR IMMEDIATE RELEASE
April 15, 2009

Rollei arrives in spring colours!

Rollei presents a colourful new selection of entry-level cameras - the Rollei Compactline 90!

Rollei presents an attractive entry-level digital camera with nine megapixels, the "Compactline 90", which is available in silver, red, blue, green or black. This slim, compact camera comes with a 1GB SD card, a camera bag and "PhotoStudio 9 Express" software from Zoner.

A great deal of technology has been crammed into the elegant, scratch-free aluminum case, which weighs a mere 134g. It shoots nine megapixel photos and can record videos in full VGA quality (640 x 480 pixels). A 3x optical zoom and 4x digital zoom provide you with the desired amount of detail. In addition to features such as "Smile and Face Detection", the camera also provides 21 motif programs and other creative settings for every moment (night shot and sport mode for example).
